CASE NO. 8738

O R D E R

On February 25, 1983, Columbia Gas of Kentucky, Inc., ("Columbia"), by counsel, filed its Motion to Adjust Order of Procedure.

Among other things, the Motion states that on February 22, 1983, Columbia received the second request for information from the Attorney General and the Lexington-Fayette Urban County Government containing eighty requests, that the amount of data required is substantial, and that it is not possible for the employees of Columbia to assemble and file the data within the 2 weeks required by the Order of Procedure entered January 24, 1983. Columbia requests that the Commission modify the Order of Procedure to require Columbia to mail or deliver responses 8 weeks subsequent to the filing of the Application. To maintain the original timing established by the Order of Procedure, Columbia requests that the subsequent filing dates be extended an additional week with the exception that all requests for information to intervenors would still be required to be filed 13 weeks subsequent to the filing of the Application.

The Commission, having considered the Motion and being advised, HEREBY ORDERS that the Motion be and it hereby is sustained.

Done at Frankfort, Kentucky, this 2nd day of March, 1983.
